Dear Mr. Renninger and Ms. Patterson:

Re: ASAOC for Removal Action: Notification of Consultant and Insurance Information  
South Dayton Dump and Landfill Site - Moraine, Ohio

---

Pursuant to the Administrative Settlement Agreement and Order on Consent (ASAOC) for Removal Action signed by USEPA on April 5, 2013 (Docket No. - pending) for the South Dayton Dump and Landfill Site (Site), this letter provides formal notification to USEPA that the Respondents have selected Conestoga-Rovers and Associates (CRA) as the primary environmental consultant (Contractor) for the Site. A corporate profile which describes CRA's capabilities and experience, and CRA's Quality System Overview are included as Attachment A to this correspondence. This notification is intended to fulfill the requirements of ASAOC Paragraph 12.

In addition, the Respondents designate Adam Loney as the Project Coordinator responsible for administration of all actions by Respondents required by this ASAOC. Names, titles, contact information, and qualifications of the Mr. Loney and other primary CRA personnel that will be involved in the Removal Action for the Site are included as Attachment B to this correspondence. This designation is intended to fulfill the requirements of ASAOC Paragraph 13. Attachment C contains CRA's insurance certificate which includes a list of additional insured parties. Attachment C is intended to fulfill the requirements of ASAOC Paragraph 78. The full insurance policy is available for review by USEPA if required.

As discussed during the USEPA and Respondents conference call held on April 4, 2013, the selection of subcontractors will be handled under the Vapor Intrusion Mitigation Work Plan. Respondents anticipate TestAmerica Inc. (TestAmerica) will be selected as the laboratory for analytical work. Respondents anticipate one of the following Ohio licensed radon subcontractors will be selected for installation and design of sub-slab depressurization systems for vapor intrusion mitigation: The Geiler Company or Environmental Doctor. Names, titles, and qualifications of the selected contractor will be submitted to USEPA more than 5 business
